

## what's next

### Create an all ages play space with

- Improved lighting and safety
- Seating
- Public art
- Pickleball & basketball courts
- Parkour and climbing structures
- Expanded bicycle parking

### Increased river access for all abilities

- ADA Accessible Path
- Streambank revegetation & landscaping
- Stone terrace seating

WE NEED YOUR  
**support** IN  
**embracing**  
THE ❤️ OF MISSOULA

*Like all good things, Caras Park needs the care and support of those who value it, so please join me in contributing to these renovation efforts!*

CARAS PARK  
is our  
**common  
ground**

WHERE WE **gather,**  
**celebrate & connect**

In 10 months,  
**we've  
accomplished**

**infrastructure upgrades**  
stormwater filtration  
**to improve river health**

**expanded seating** and  
**increased accessibility**

**embrace**  
❤️  
THE HEART OF MISSOULA

**SUPPORT** a beloved park that came from a parking lot.

## REMEMBER WHEN . . .

Caras Park was a blighted dumping ground and dirt parking lot

We gathered under the big top circus tent in the 1980s

We installed the current Pavilion Canopy in 1997

We have begun implementing the **NORTH RIVERSIDE PARKS & TRAILS PLAN** to create more opportunities to enjoy Caras Park

Caras Park improvements have been primarily funded through grants and donations from businesses and individuals.
